

Mercer Learning is the client learning and development business within the Mercer Career consulting practice. Our aim is to enhance capability through people development.

We provide a suite of learning pathways that improves confidence, technical skills and behaviours.

Mercer Learning education options include:

- Public Face-to-Face workshops
- Dedicated In-house group workshops customised to meet the learning goals and needs of each organisation
- Mercer Learning Online Academy – e-LEARN Tool

Programs are backed by our joint Global HR and Leadership intellectual expertise whilst delivered with a local perspective.
